Note: CalPERS staff indicated the increased service retirement count for February 2015 may include service retirements for December 2014 and January 2015 due to a processing backlog. CalPERS staff is working to identify new reporting method that will ensure there is more accurate data. Typically, data tracks service retirement applications received from the 15th to the 15th of each month, so the monthly counts may not be exact. However, CalPERS indicates a majority of the counts reflect actual retirements for each month.

[1]CalPERS State worker counts include CSU employee retirements. Judges' Retirement System I, Judges' Retirement System II, and Legislators' Retirement System member retirements are **not** included in the counts.
